The Chesapeake and Ohio Railroad is adding very largely to its equipment and in a few months will be able to handle much more of the immense amount of coal being mined along its line than is now. Seven-five engines of the G-7 class will be received between now and the first of November, and one thousand freight coal cars have been ordered and will be put in commission.

There seems to be a little friction in the affairs of our local military. It appears that one of the subordinate officers, on his own volition and without consulting Captain Watson, wrote to the Adjutant-General requesting that the Company remain here until after the 19th of August, in order that it might participate in the parade on the opening day of the Elks Fair.

His action, however, was a breach of military etiquette and discipline, inasmuch as he was acting in authority that belonged to his superior officer, Captain Watson. The muttering on the inside circle is that the officer has "put his foot in it."

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a bad spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. Deafness Cannot Be Cured. By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

In the presence of Governor Terrell, who had come to Rome, Ga., to inspect the state troops in camp, Colonel V. T. Sanford and Colonel M. B. NERVOUS HEADACHE BREEDS INSANITY.

Many a person's whole pleasure in life is ruined by the fear of nervous headaches. Any little excitement, no matter what, business or social brings them on. The feet and hands grow cold, the head is hot, the eyes stiff, the temples throb, and only in the quiet of a darkened room is relief obtained. This condition must be checked or it means complete mental ruin. To those people Dr. A. W. Chase's Nerve Pills come as a blessing. They do not stop, they cure the headaches. They do not blanket, they build up. They put the nervous system in a strong, vigorous, sturdy condition—a condition that gives one resistive power and enables them to again enjoy life's pleasures.

Mrs. Minnie Aikman of No. 218 Lee street, Maysville, Ky., says:

"I have been bothered for a long time with pains in the region of my heart and with racking nervous headaches. I was advised to try Dr. A. W. Chase's Nerve Pills and I got a box at Chenoweth's Drugstore and now I am happy to say that the heart pains and headaches are completely cured. I cannot speak too highly of these pills as they are an excellent medicine in every particular."

Paris Green—That Kills

Many imagine that all Paris Green is of equal potency. This is not the case. Analysis of samples from various makers shows that some have more than twice the strength of others. You have perhaps observed evidence of this in the failure of an application of Paris Green to your tobacco plants to rid them of worms as it should.

We guarantee the strength and effectiveness of the Paris Green we sell. The manufacturers have a reputation for the high and uniform excellence of their product.

There's Economy in Using This Paris Green; it Goes Farther and Always Does the Work.

It is worth considerable to any citizen of Maysville to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itches of the skin—for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

Mr. J. C. Gabby of 925 East Second street says:

"For many years I suffered severely from itching hemorrhoids. I bought every remedy I heard of, but do what I might the trouble grew worse instead of better. It was particularly aggravating after I retired and I lost much sleep because of the intense itching. I had the good fortune to learn of Doan's Ointment, and I bought a box at J. Jas. Wood & Son's Drugstore. The wonderful relief I obtained from its use was almost beyond belief. I soon felt that I was cured. I continued the treatment for a time, however, to make assurance doubly sure."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

"As Ye Sow, So Shall Ye Reap!"

The Bible so states, and the Bible is truth. Some sow wild oats and reap the whirlwind; others sow good deeds and reap contentment; but nearly every one sows wheat. In Mason and adjoining counties most every wheat sower reaps contentment, because they sow wheat with a Richmond Champion Patent Double Disc Drill. Fact. If doubtful send for our testimonial book. There are over 530 farmers in this section using Richmond Champion Drills. We would like for you to see what they say. That little disc does the business. Each feed run has two discs and the wheat is delivered between them. These two discs hold all the dirt out until the wheat reaches the bottom of the furrow and then covers it from both sides. The rains beat the dirt to the wheat from both sides. The wheat is fed from both sides in growing. PROVIDENCE HELPS THOSE WHO HELP THEMSELVES. Do your part by seeding as common sense teaches you is best and leave the results to Providence. Look at a CHAMPION DRILL and see if it is a common sense way of seeding.

WE ARE FISHING

For your wagon trade. You will want a new wagon to haul off that wheat and house that tobacco, and we earnestly ask you to look at the wagon made by Mr. Fish. We sell the only farm wagon made by men named Fish, and are sincere in saying to you that we honestly believe that the genuine Fish Bros.' Farm Wagon is the very best one made. FISH BROS. NEVER FISH FOR SUCKERS, but they leave unpainted the underneath side of all axles, hounds and coupling poles so that you may see what kind of wood you are buying. If it is a good thing it is on a Fish Bros.' Wagon. Their long experience has added many beneficial patents until today there are more exclusive good things upon Fish Bros.' Wagons than upon all others combined. We earnestly ask you to look at a Fish Bros.' Wagon.

Ruggles Campmeeting.

RUGGLES CAMPGROUNDS, July 30th.
Special to Public Ledger.

A refreshing breeze, which finally resulted
in quite a windstorm, came upon us last night
and this brought on a copious rain, and it
rained a good part of the night, much to the
gratification of the farmers hereabouts as
well as the people on the campgrounds.

After the sunrise prayer service came the
Memorial service always held on the second
Thursday of these meetings each year and
are much appreciated and always well attended.
The meeting today was very impressive be-
cause of the memory of the original owner of
these grounds, William Ruggles, who died in
May of this year. Much was said of the life
of this good man who died full of faith, ripe
for the Kingdom of God. Brothers Harrop and
Lane also spoke of those who had died in
Maysville and who were formerly attendants
on these grounds. They were Mrs. Kate Mar-
tin and George P. Beasley.

Miss Anna Gallimore held the children's ser-
vices at 1:30 p. m., when she had the largest
congregation of both children and adults she
has had since the meetings began. This good
woman is entirely given up to the work of the
Lord and her work and experience in the wilds
of India are interesting to listen to. Miss
Gallimore is aiming at building a Church in
India and is about to accomplish the desire of
her heart. She took up a collection today for
that object when some \$25 or more was raised,
partly through the efforts of the little children.

I have not yet spoken of the Mother's Meet-
ings. These are held every day at 2 o'clock
with an average attendance of twenty
mothers. I am told there were twenty-seven
present today and they speak of them as soul-
stirring. Our good old sister Jane Morris of
Maysville is the leader of these Mother's Meet-
ings and though now feeble and weak from age
and infirmity yet she is still found at her post
ever ready to do and to dare for her loving
Master, Jesus. Sister Morris is one of the
oldest attendants on the grounds and is be-
lieved by all.

Another large congregation greeted Dr.
Dunham at the night service when he preached
from Mark viii, 36, 37: "For what shall it
profit a man, if he shall gain the whole world,
and lose his own soul? Or what shall a man
give in exchange for his soul?" It was a most
impressive discourse.

Several more Preachers have just arrived,
among them Rev. Isaiah Cline of Greenup and
Rev. Verity of Manchester, O. Our Mays-
ville Pastor, Rev. J. S. Young, is among the
most earnest workers. Both he and his de-
voted Christian wife are greatly appreciated
both by the members of his Church at home,
and all the people on these campgrounds.
Many of them remember him twelve years ago
when he was on these grounds and rendered
valuable service, as he was then the leader of
the children's service, and these children, now
grown up, love him dearly today. Many count
their conversion from the time of his labors
with us then.

Dr. Dunham, the Evangelist, will preach on
Sunday morning at 10:30 o'clock, and we hope
to see a large delegation of our Maysville peo-
ple to hear this earnest, consecrated man of
God.

We look for the largest congregation of peo-
ple ever on these grounds. The rain has put
everything in fine condition; there will be no
dust on the pikes and the grounds are beauti-
ful. Everything abundant. M. J. W.

Not Over-Well.
There is an old allegorical picture of a girl shared
at a grasshopper, but in the act of heedlessly
treading on a snake. This is paralleled by the
man who spends a large sum of money building
a cyclone cellar but neglects to provide his fam-
ily with a bottle of Chamberlain's Colic, Cholera
and Diarrhoea Remedy as a safeguard against
bowel complaints, whose victims outnumber
those of the cyclone a hundred to one. This rem-
edy is everywhere recognized as the most prompt
and reliable medicine in use for these diseases.

River
News

The gauge reads 7.2 at this point and falling.

The Bonanza will be up tonight for Pomeroy.

Yesterday's rain was general over the entire
Ohio Valley.

The Henry M. Stanley from Charleston will
pass down tomorrow.

Negro roustabouts at Evansville demand thirty-
five cents an hour and board.

The Boaz is on the Ways at Manchester. She
was originally built by Captain Thomas Fawcett.

The Allegheny and Monongahela rivers are
still falling slowly and packet navigation has
been suspended.

The Jim Wood is at Madison raising some
coal which was sunk. She will be assisted by
an outfit from Louisville.

Captain Lew McLaughlin of the Bonanza is
the youngest steamboat captain that leaves Cin-
cinnati. He was a long time a clerk on the
White Collar Line boats.

A Negro deckhand fell into the river off the
Keystone State at Wheeling, with a sack of
wheat upon his shoulder. He held on to the
wheat and swam ashore with it.

The steamer Virginia of the Cincinnati and
Pittsburgh Packet Company's Line was pulled
out on the Queen City Marine Ways Thursday
for repairs and a general overhauling. Captain
Ellison, Superintendent of the line, states that
his company has spent in the past ten years no
less than \$125,000 in Cincinnati for repairs on
the different boats of the company.

The towboat Valiant will have a new hull
built under her at the Elizabeth Ways. The
Valiant was originally the old Joe Nixon, and
later became the property of the Walton Com-
pany after lying sunk at the Pittsburgh wharf
for some time. After being raised and repaired
her name was changed to Valiant. The Valiant
is now the property of the combine.

The Pittsburgh and Cincinnati packet, Queen
City, is still fast on the bar at Logstown, where
she ran aground Wednesday afternoon. The
Florence Bell, which tried to pull the big packet
off, is now in as serious predicament as the boat
she tried to aid. The water is falling between
Logstown and Davis Island Dam, and it is not
likely she will reach the Pittsburgh harbor un-
til a rise comes.

Lieutenant Commander A. P. Osborn of the
United States Navy, Inspector of the Fourteenth
Lighthouse District, has sent out the following
notice to masters and pilots: "Craig Bar No.
1, which has been shown as a flat light, will
from July 30th be shown from a post on the
Kentucky shore, just opposite its old position.
This change is made on account of the fre-
quency with which this light has been carried
away by passing steamers."

CAUTION!
This is not a gentle word—but when you think
how liable you are not to purchase the only rem-
edy universally known and a remedy that has had
the largest sale of any medicine in the world
since 1868 for the cure and treatment of Con-
sumption and Throat and Lung troubles without
losing its popularity all these years, you will be
thankful that we called your attention to Bos-
chee's German Syrup. There are so many ordi-
nary cough remedies made by druggists and others
that are cheap and good for light colds perhaps,
but for severe Coughs, Bronchitis, Croup—and
especially for Consumption, where there is diffi-
cult expectation and coughing during the nights
and mornings, there is nothing like German Syrup.
The 36c size has just been introduced this year.
Regular size 75 cents. At Henry W. Ray's, next
door to Postoffice.

ONE LUNG

May be gone and yet the remaining lung
will be amply sufficient to sustain a vigor-
ous vitality. As a general thing few peo-
ple make more use of both lungs than is
equivalent to a healthy use of one lung.
These facts are all in the favor of the
man or woman with weak lungs, even
when disease has a strong grip on them.

Many a person
living in health
to-day has the
lungs marked by
the healed scars
of disease.
Dr. Pierce's
Golden Medical
Discovery makes
weak lungs
strong. It cures
obstinate, decr-
eased coughs,
bronchitis, bleed-
ing lungs and
other conditions,
which, if neglect-
ed or unskillfully
treated, find a
fatal termination
in consumption.
"I had been trou-
bled with lung dis-
ease and pleurisy
for a number of
years and the trouble
had almost become
chronic," writes A. S.
Klam, of Howe, Ia.
"I had several kinds
of medicine from different
physicians without
much benefit. At last
I wrote to Dr. R. V. Pierce
and got his advice, and
began using his 'Golden
Medical Discovery.' I
have used twenty-five
bottles. When I com-
menced taking it I had
no appetite, my system
was completely run-
down, had no ambition
to do anything. Now I
feel better than I did
before I got sick. Have
a good appetite and am
able to do my work. I
sincerely recommend
Dr. Pierce's Golden
Medical Discovery to all
who are afflicted as I
was."

Those who suffer from chronic
diseases are invited to consult Dr. Pierce,
by letter, free. All correspondence
strictly private. Address Dr. R. V.

GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have
serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the
impurities to stay in the system and attack the other
organs. This accounts for the many different
symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation
and invigorates the whole system. It strengthens the
urinary organs and gives you new life and vigor.

TWO SIZES 50c and \$1.00

Chicago Business Man Cured
Foley & Co., Chicago, Gentlemen:—About a year ago my health began
to fail, I lost flesh and never felt well. The doctor thought I had stomach
and liver trouble, but I became convinced that my kidneys were the cause
of my ill health and commenced taking FOLEY'S KIDNEY CURE. It in-
creased my appetite and made me feel stronger, and the annoying symptoms
disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd.,
Chicago, June 11, 1902.

Cured His Wife
E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes:
"My wife has been very bad with kidney trouble and tried several doctors
without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was
much better, and was completely cured after taking four bottles."

One Bottle Cured Him
A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney
complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY
CURE effected a permanent cure."

Save the Children.

Ninety-nine of every one hundred diseases that children have are due to disorders of the stomach, and these disorders are all caused by indigestion. Kodol Dyspepsia Cure is just as good for children as it is for adults. Children thrive on it. It keeps their little stomachs sweet and encourages their growth and development. Mrs. Henry Carter, 705 Central street, Nashville, Tenn., says: "My little boy is now 3 years old and has been suffering from indigestion ever since he was born. I have had the best doctors in Nashville, but failed to do him any good. After using one bottle of Kodol he is a well baby. I recommend it to all sufferers." Kodol digests what you eat and makes the stomach sweet. Sold by J. Jas. Wood & Son.
